

Teaching plan - PhD programme in computer science

38°Cycle a.y. 2022/2023

Course	SSD	hrs	credits	Educational form*	Type of activity**	Mandatory/Chosen activity
Causal Networks: Learning and Inference	INF/01	20	2,5	lecture	curricular	chosen
Graph Theory and Algorithms	INF/01	20	2,5	lecture	curricular	chosen
Data Management for Machine Learning	INF/01	20	2,5	lecture	curricular	chosen
Human-AI Interaction	INF/01	20	2,5	lecture	curricular	chosen
Image acquisition pipelines: embedded processing and post processing	INF/01	20	2,5	lecture	curricular	chosen
Data-driven Optimization	MAT/09	20	2,5	lecture	curricular	chosen
Total hrs/credits		120	15			

Educational form*

lecture

laboratory training

seminar

Type of activity**

curricular

cross-curricular
