Scopus ID: 6603911274
ORCID ID: 0000-0003-4194-5644

POSITIONS

October 2019- present. Vice-Rector for Research Valorization and Technology Transfer, University of Milano-Bicocca, Italy.

October 2017-present. Professor of Strategic Management, Department of Economics, Management and Statistics, University of Milano-Bicocca, Italy.

December 2017-present. Management Division Coordinator, Department of Economics, Management and Statistics, University of Milano-Bicocca, Italy.

2011-2014. Coordinator, Doctoral Program in General Management, University of Bologna, Italy.

2006- 2012. Deputy-Dean, Faculty of Economics at Rimini, University of Bologna, Italy.

2006-2017. Professor of Management, Department of Management and School of Economics, Management, and Statistics – Rimini Campus, University of Bologna, Italy.

2004-2006. Associate Professor of Management, Faculty of Economics at Rimini and Department of Management, University of Bologna, Italy.

2000- 2004. Associate Professor of Management, Faculty of Law and Department of Law and Policy Sciences, University of Camerino, Italy.

1994- 2000. Assistant Professor of Industrial Economics, Faculty of Economics, Università C. Cattaneo, Castellanza (VA), Italy.

VISITING

February – July 2016. Visiting Professor, Department of Innovation and Organizational Economics, Copenhagen Business School, Denmark.

October-November 2015. Visiting Professor, School of Economics, Wuhan University of Technology, China.

February- May 2013. Visiting Professor, Faculteit Toegepaste Economische Wetenschappen (Faculty of Applied Economics), University of Antwerp, Belgium.

July-September 1999. Visiting scholar, SPRU, University of Sussex, Brighton, UK.

July- September 1995. Visiting scholar, Center for Economic Policy Research (CEPR), Dept. of Economics, Stanford University, CA, within a research project on “Innovation and market structure in the computer industry” (coordinator: Timothy Bresnahan, CEPR, Stanford University).

EDUCATION

July 1995. DPhil in “Science and Technology Policy Studies” from the Science Policy Research Unit (SPRU), University of Sussex, Brighton, UK (thesis approved without requests for revisions in Sept. 1994).

April 1986. Laurea (MSc) in Economics, Bocconi University, Milan, Italy.

1986-1993. Scholarship by “Associazione Amici della Bocconi”, Bocconi University, Milan, Italy.

RESEARCH INTERESTS

Economics and management of innovation

Intellectual property strategy

Technology transfer and entrepreneurship

Digital technologies and corporate change

Competitive strategy

PROFESSIONAL SERVICE

Affiliations and Professional Responsibilities

CefES-DEMS (Center for European Studies), University of Milano Bicocca, Italy.

ICRIOS (The Invernizzi Center for Research on Innovation, Organization, Strategy and Entrepreneurship), Bocconi University, Milan, Italy.

EPIP European Policy for Intellectual Property Policy Association, Secretary General and Board Member.

Associations

Academy of Management, European Policy for Intellectual Property Policy Association (EPIP), Società Italiana di Management (SIMA), Società Italiana di Economia e Politica Industriale (SIEPI).

Editorial Boards

European Management Review.

Journal of Industrial and Business Economics/Economia e Politica Industriale (Associate editor)

Ad hoc Reviewer

Economics of Innovation and New Technology, European Management Review, IEEE Transactions on Engineering Management, Industrial and Corporate Change, Information Economics and Policy, Journal of Business Research, Journal of Technology Transfer, Oxford Economic Papers, Research Policy, Scientometrics, Small Business Economics, Strategic Entrepreneurship Journal, Strategic Management Journal, Technovation.

TEACHING

PhD Programs

2021/2022. Faculty Member (Technology and Innovation Management). PhD in Business for Society. University of Milano-Bicocca, Italy.

2019. Winter School of Science and Technology Entrepreneurship Promotion, University of Milano-Bicocca, Italy (director).

2006-2022. Member of the PhD Board, PhD in Management, University of Bologna, Italy.

2006-present. “Economics and Management of Innovation” (core course), PhD in Management, University of Bologna, Italy.

2008, 2009 and 2013. Scientific Committee, Summer School in “Economics and Management of Intellectual Property Rights”, Alma Graduate School, University of Bologna.

2006-2017. “Technology Management and Entrepreneurship”, PhD in General Management, University of Bologna, Italy.

2002-2005. Industrial Dynamics and Firm Behaviour - Empirical Aspects, ETIC, European PhD Programme, MERIT, Maastricht Economic Research Institute on Innovation and Technology, University of Maastricht, The Netherlands.

2001-2005. Economics and Management of Entrepreneurship and ICTs, Doctoral Program in Economics and Management, Sant’Anna School of Advanced Studies, Pisa, Italy.

Graduate Programs

- 2018-2019-present. “Strategic Management”, University of Milano-Bicocca, Italy.
- 2017-2018. “Advanced Competitive Management”, University of Milano-Bicocca, Italy.
- 2004-2017. “Business Strategy, “Business Plan”, “Strategic Management” and “Economics and Management of Innovation”, University of Bologna (Rimini Campus), Italy.
2015. “Economics and Management of Innovation”, School of Economics, Wuhan University of Technology, Wuhan, China.
2013. “Organization and Strategy: Innovation”, MSc in Applied Economic Sciences, University of Antwerp, Belgium.
- 2008-2010. “Strategic Management of Innovation”, Executive Master in Technology and Innovation Management, Alma Graduate School, University of Bologna, Italy.

Undergraduate Programs

- 2018-2019. “Market-Driven Management”, University of Milano-Bicocca, Italy.
- 2017-2018. “Corporate Global Communication”, University of Milano-Bicocca, Italy.
- 2004- 2017. “Economics and Management”, University of Bologna (Rimini Campus), Italy.
- 2008-2011. “Economics of Innovation”, Faculty of Economics, Bocconi University, Italy.
- 2000- 2006. “Economics and Management”, University of Camerino, Italy.
- 1997-2002. “Industrial economics”, Cattaneo University, Castellanza (VA), Italy.
- 1987-1998. “Economics of Transnational Corporations”, Bocconi University, Milan, Italy.

RESEARCH

Selected projects

- 2022-present (Principal co-investigator). MUSA (Multilayered Urban Sustainability Action), an Innovation Ecosystem funded under Mission 4 Education and Research - Component 2 “From research to business” - Investment 1.5 of the National Recovery and Resilience Plan, part of the Next Generation EU Programme.
- 2018-present (Principal investigator). “Growth and top management team transformation in entrepreneurial ventures”, University of Milano-Bicocca.
- 2017-present. (Principal co-investigator). “Deciding under risk of infringement to manage intellectual property rights”. Institute of Innovation, Strategy, Technology and Organisation (ISTO), Ludwig-Maximilian University Munich.
- 2017-present. “Opportunities and Challenges of Digital Transformation”. Bocconi University and Fondazione Tronchetti Provera, Milano.

- 2012- 2016. (Principal investigator) “Market and Non-Market Mechanisms for the Exchange and Diffusion of Innovation: When Do They Work, When Do They Not Work, and Why Should We Care”, University of Bologna research unit, Italian Ministry of University and Research (MIUR) (PRIN 2012).
- 2012-2015. “Financing Knowledge Transfer in Europe”, University of Bologna research unit (in collaboration with Bocconi University), 2011-2012 EIBURS Programme, European Investment Bank.
- 2011-2012. “Measurement and analysis of knowledge and R&D exploitation” flows, assessed by patent and licensing data, Bocconi University research unit (in collaboration with K.U. Leuven), EC DG Research.
- 2008-2011. “The changing nature of internationalization of innovation in Europe: impact on firms and the implications for innovation policy in the EU” (GlobInn), Bocconi University research unit (Project coordinator: SPRU- University of Sussex, UK), EC FP7 Cooperation Work Programme.
- 2008-2011. “S&T indicators combining patent data and surveys: empirical models and policy analyses (InnoS&T), Bocconi University research unit, EC FP7 Cooperation Work Programme.
- 2007-2011. Management Committee COST Action IS0604: “Science and Technology Research in a Knowledge-Based Economy” (STRIKE), EC RTD Framework Programme/ESF.
- 2005-2008. (Principal investigator) “Study on the effects of allowing patent claims for computer-implemented inventions”, CESPRI - Bocconi University research unit (main contractor: MERIT, University of Maastricht, NL), EC-DG Information Society.
- 2001- 2005. (Principal Investigator) “The Economics and Management of Open Source Software”, Laboratory of Economics and Management (LEM), Sant’Anna School of Advanced Studies, Pisa, Italy.
- 2002-2005. “Economic Change: the microfoundations of institutional and organisational change (EconChange)”, Sant’Anna School of Advanced Studies Pisa research unit (European coordinator: IET – Universitat Pompeu Fabra, Barcelona), EC, DGXII, FP V.
- 2002-2004. “The Rise and Growth of the Software Industry in Brasil, China, India, Ireland and Israel”, Software Industry Center (SWIC), Carnegie Mellon University, Pittsburgh, Alfred P. Sloan Foundation and Commonwealth of Pennsylvania.
- 2000-2002. (Principal investigator) “Information Spillovers, Firm Choices and Technological Diffusion in Italy and Europe. Determinants and Effects”, University of Camerino research unit, Italian Ministry of University and Research (MURST).
- 1999-2001. “Silicon Valley and Its Imitators”, Stanford Institute for Economic Policy Research (SIEPR), Stanford University.
- 1998-2001. “Technology and Infrastructures Policy in the Knowledge-Based Economy- The Impact of the Tendency towards Codification of Knowledge”, CESPRI- Bocconi University (European Coordinator: BETA, Strasbourg), EC DGXII TSR Targeted Socio-Economic Research (TSER) Programme.
- 1998-2000. (Principal investigator), Cattaneo University research unit, Castellanza, Italy, “Dynamic capabilities, growth and long-term competitiveness of European firms: a diagnosis and the implications for EU policies”, EC DG XII TSER Programme.

1995-1997. CESPRI- Bocconi University, “Industry Studies of Innovation Using the Community Innovation Survey Data-Computer and Office Machinery”, Eurostat-EC DG XIII-D.

1992-1994. “The international computer software industry”, University of California at Berkeley, Alfred P. Sloan Foundation.

Ad hoc Evaluator

VQR 2011-2014, National Agency for the Evaluation of University and Research Institutes (ANVUR) (Coordinator of the Business Research Area); MIUR (Italian Ministry of University and Research); EC FP7, DG RTD, Directorate L: Science, Economy and Society; Programme Vigoni, Deutsch-Italianischen Hochschulzentrum and CRUI; SFI Investigator Programme, Science Foundation Ireland; Programme Vinci, Université Franco-Italienne; TEDIS Programme, EC-DGXIII (“Telecommunications, Information Industries and Innovation”).
