CURRICULUM VITAE

Personal Information

Simone Sulpizio
Office Address: Piazza dell'Ateneo Nuovo, 1 - 20126 Milano, Italy
e-mail: simone.sulpizio@unimib.it
website: https://sites.google.com/view/simonesulpizio/

Research Interests:

- Neurocognitive mechanisms of word processing
- The interplay between language processing and social and emotional factors

Professional History

2022-	Associate Professor, Department of Psychology, University of Milano-Bicocca, Milan, Italy.
2019-2022	Assistant Professor (Ricercatore a Tempo Determinato, tipo B), Department of Psychology, University of Milano-Bicocca, Milan, Italy.
2016-2019	Assistant Professor (Ricercatore a Tempo Determinato, tipo A), Faculty of Psychology, Vita-Salute San Raffaele University, Milan, Italy.
2015-16	Post-doctoral researcher, Department of Psychology and Cognitive Science, University of Trento, Italy.
2014-15	Assistant Professor, Department of Neurobiology and Behavior, Nagasaki University, Japan.
2012-14	Post-doctoral researcher, Department of Psychology and Cognitive Science, University of Trento, Italy.
2011-12	Post-doctoral research grant, Fondazione Marica De Vincenzi onlus.

Other appointments

2023- Deputy coordinator of the Doctoral course in Psychology, Linguistics, and Cognitive Neuroscience, University of Milano-Bicocca, Italy.

2022- Member of the board of directors of the Inter-university Research Center for Cognitive Studies on Language

2020- Member of the Committee of the Doctoral course in Psychology, Linguistics, and Cognitive Neuroscience, University of Milano-Bicocca, Italy.

Member of the following research groups: Milano Center for Neuroscience (NeuroMi, University of Milano-Bicocca, since 2021), Interfaculty centre for gender studies (Vita-Salute San Raffaele University), Bicocca Language Group (University of Milano-Bicocca, since 2020), Italian Reproducibility Network (since 2021); XPRAG.it – An Italian Network of Experimental Pragmatics (since 2019); Inter-university Research Center for Cognitive Studies on Language (since 2022);

Slurring Terms across languages (STAL) network (since 2023,
https://sites.google.com/view/stalnetwork).

Education

2011   Ph.D. in Psychological Sciences and Education, University of Trento, Italy. Advisor: Prof. Remo Job; Co-Advisor: Dr. Cristina Burani.

2008   Degree in Linguistics, *summa cum laude*, University of Rome "La Sapienza", Italy.

Additional education courses

2013   Autumn School. *Methods in language comprehension: New methods for studying sentence comprehension in Cognitive Science, Behavioral Science and Neuroscience.* Department of Psychology and Cognitive Science and Center for Mind/Brain Sciences - CIMeC, Rovereto (TN), Italy (November, 14th-17th).

2011   Summer School. *Il modello lineare misto e le sue applicazioni* [The linear mixed model and its applications]. AIP (Italian Association of Psychology), Bertinoro (FC), Italy (September, 5th-10th).

2010   *R Workshop*. Max Planck Institute for Psycholinguistics, Nijmegen, The Nederland (April, 21th, 26th, and 27th).

2009   Winter School. *Il lessico. Metodi di analisi, modelli e applicazioni* [Lexicon. Methods of analysis, models and applications]. TRIPLE, University of Roma Tre, Rome, Italy (January, 26th-30th).

Visiting Research Experience

2013   Basque Center on Cognition, Brain and Language, Donostia-San Sebastián, Spain (June).

2010   Max Planck Institute for Psycholinguistics – Language Comprehension Group, Nijmegen, The Netherlands. (January-July and October).

Teaching Activity (last 3 years)

2022-23
- *Apprendimento, Pensiero e Decisione* [Learning, Reasoning, and Decision making], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].
- *Psicologia Generale 1* [General Psychology 1], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].

2021-22
- *Apprendimento, Pensiero e Decisione* [Learning, Reasoning, and Decision making], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].
- *Psicologia Generale 1* [General Psychology 1], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].

2020-21
- *Apprendimento, Pensiero e Decisione* [Learning, Reasoning, and Decision making], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].

- *Reaction times: data trimming and analysis.* Doctoral school in Psychological Sciences and Education, University of Trento (Trento, Italy), April [Teacher, 12 hours].

2019-20
- *Introduzione alle neuroscienze del linguaggio* [Introduction to Neuroscience of Language], Faculty of Psychology, Vita-Salute San Raffaele University (Milan, Italy), October-November [Teacher, 20 hours].
- *Reaction times: data trimming and analysis.* Doctoral school in Psychological Sciences and Education, University of Trento (Trento, Italy), June [Teacher, 12 hours].
- *Processi motivazionali e decision making* [Motivational Processes and Decision Making], Department of Psychology, University of Milano-Bicocca (Milan, Italy), November-December [co-Teacher, 16 hours].
- *Cognitive and Behavioral Measures.* Department of Psychology, University of Milano-Bicocca (Milan, Italy), March-April [Teacher, 32 hours].

2018-19
- *Fondamenti di Psicologia Generale II* [General Psychology], Faculty of Psychology, Vita-Salute San Raffaele University (Milan, Italy), March-May [Teacher, 40 hours].
- *Advanced Topics in Cognitive Psychology*. Faculty of Psychology, Vita-Salute San Raffaele University (Milan) & Faculty of Communication, University of Italian Swiss (Lugano, Swiss), March-June [Teacher, 20 hours].
- *Reaction times: data trimming and analysis.* Doctoral school in Psychological Sciences and Education, University of Trento (Trento, Italy), July [Teacher, 12 hours].
- *Introduzione alla neuropsicologia* [Introduction to neuropsychology]. Scuola di specializzazione in neuropsicologia [Post-graduate school in neuropsychology], Vita-Salute San Raffaele University (Milan, Italy), June-October [Teacher, 16 hours].
- *Psicologia Cognitiva* [Cognitive Psychology]. Scuola di specializzazione in psicologia clinica [Post-graduate school in clinical psychology], Vita-Salute San Raffaele University (Milan, Italy), June-October [Teacher, 16 hours].

2017-18
- *Psicologia Cognitiva* [Cognitive Psychology]. Faculty of Psychology, Vita-Salute San Raffaele University (Milan, Italy), November-January [Teacher, 40 hours].
- *Fondamenti di Psicologia Generale II* [General Psychology], Faculty of Psychology, Vita-Salute San Raffaele University (Milan, Italy), March-May [Teacher, 40 hours].
- *Advanced Topics in Cognitive Psychology*. Faculty of Psychology, Vita-Salute San Raffaele University (Milan) & Faculty of Communication, University of Italian Swiss (Lugano, Swiss), March-June [Teacher, 20 hours].
- *Introduzione alla neuropsicologia* [Introduction to neuropsychology]. Scuola di specializzazione in neuropsicologia [Post-graduate school in neuropsychology], Vita-Salute San Raffaele University (Milan, Italy), June-October [Teacher, 16 hours].
- *Psicologia Cognitiva* [Cognitive Psychology]. Scuola di specializzazione in psicologia clinica [Post-graduate school in clinical psychology], Vita-Salute San Raffaele University (Milan, Italy), June-October [Teacher, 16 hours].

2016-17
- *Psicologia Cognitiva* [Cognitive Psychology]. Faculty of Psychology, Vita-Salute San Raffaele University (Milan, Italy), November-January [Teacher, 40 hours].

- *Advanced Topics in Cognitive Psychology*. Faculty of Psychology, Vita-Salute San Raffaele University (Milan) & Faculty of Communication, University of Italian Swiss (Lugano, Swiss), March-June [Teacher, 20 hours].
- *Reaction times: data trimming and analysis.* Doctoral school in Psychological Sciences and Education, University of Trento (Trento, Italy), May [Teacher, 12 hours].
- *Introduzione alla neuropsicologia* [Introduction to neuropsychology]. Scuola di specializzazione in neuropsicologia [Post-graduate school in neuropsychology], Vita-Salute San Raffaele University (Milan, Italy), June- October [Teacher, 16 hours].
- *Psicologia Cognitiva* [Cognitive Psychology]. Scuola di specializzazione in psicologia clinica [Post-graduate school in clinical psychology], Vita-Salute San Raffaele University (Milan, Italy), June- October [Teacher, 32 hours].

2015-16
- *Sviluppo professionale e imprenditorialità* [Professional and Management Development]. Department of Psychology and Cognitive Science, University of Trento (Trento, Italy), March-May. [Teaching assistant, 14 hours]

2014-15
- *Sviluppo professionale e imprenditorialità* [Professional and Management Development]. Department of Psychology and Cognitive Science, University of Trento (Trento, Italy), March-May. [Teaching assistant, 14 hours]

2013-14
- *Sviluppo professionale e imprenditorialità* [Professional and Management Development]. Department of Psychology and Cognitive Science, University of Trento (Trento, Italy), March-May. [Teaching assistant, 14 hours]

2012-13
- *Psicologia del linguaggio e della comunicazione* [Psychology of language and communication]. Department of Psychology and Cognitive Science, University of Trento (Trento, Italy), February-May. [Teacher, 20 hours]
- *Sviluppo professionale e imprenditorialità* [Professional and Management Development]. Department of Psychology and Cognitive Science, University of Trento (Trento, Italy), March-May. [Teaching assistant, 14 hours]
- *Laboratori Didattici delle scienze cognitive* [Cognitive science workshops for high school students]. Department of Psychology and Cognitive Science, University of Trento (Trento, Italy), February-May. [Teaching assistant]

2011-12
- *Sviluppo professionale e imprenditorialità* [Professional and Management Development]. Faculty of Cognitive Science, University of Trento (Trento, Italy), March-May. [Teaching assistant, 14 hours]
- *Laboratori Didattici delle scienze cognitive* [Cognitive science workshops for high school students]. Faculty of Cognitive Science, University of Trento (Trento, Italy), February-May. [Teaching assistant]

2010-11
- *Esercitazioni di Psicolinguistica* [Psycholinguistics lab, dott. Francesco Vespignani], Faculty of Cognitive Science, University of Trento (Trento, Italy), March-May. [Teaching assistant]

Seminars in a class

- Morfologia [Morphology]. Class on Psychology of Language and Communication. Department of Psychology and Cognitive Science, University of Trento, March, 2, 2016.
- Fonetica e fonologia. [Phonetics and phonology] Class on Psychology of Language and Communication. Department of Psychology and Cognitive Science, University of Trento, February, 24, 2016.
- Linguaggio: una introduzione [Language: an introduction]. Class on Psychology of Language and Communication. Department of Psychology and Cognitive Science, University of Trento, February, 28, 2014.
- Phonology and phonetics. Class on Psychology of Language and Communication. Faculty of Cognitive Science, University of Trento, March, 7, 2012.
- The visual world paradigm and its application to language studies. Class on Introduction to human language. Faculty of Cognitive Science, University of Trento, December, 5, 2011
- L'accento di parola [Lexical stress]. Class on Psychology of Language and Communication. Faculty of Cognitive Science, University of Trento, May, 3, 2011

Supervision of graduate students and post-doc fellows

2014-	18 Master students
2018-2022	1 PhD student at the University of Trento (now post-doc at the Vita-Salute San Raffaele Hospital).
2017-2020	1 PhD student at the University of Trento (now post-doc at the University of Padua).
2021-	1 post-doc at the University of Milano-Bicocca

Reviewing and Advisory Activity

Editorial Board: Bilingualism: Language and Cognition (2019-); Plos One (2018-); Frontiers in Language Sciences – Language processing (2022-; Review Editor)

Guest Editor:
- Frontiers in Psychology - Language Sciences (Research Topic: Binding reading aloud and speech production; co-edited with Sachiko Kinoshita).
- Frontiers in Language Sciences (Research Topic: Communication, Behavior, and Emotion in Multilingual Societies; co-edited with Susanne Brouwer, Adriana Hanulikova, Kristin Van Engen, Rafał Jończyk).

Ad hoc reviewer for: Acta Psychologica; Annals of the New York Academy of Science; Applied Economics; Applied Psycholinguistics; Autism Research; Behavior Research Methods; Behavioural Brain Research; Bilingualism: Language and Cognition; Brain Communications; British Journal of Psychology; Cerebral Cortex; Collabra: Psychology; Cognitive, Affective, and Behavioral Neuroscience; Cognitive Processing; Cortex; Dyslexia; Experimental Brain Research; Frontiers in Psychology; Giornale Italiano di Psicologia; Journal of Gender Studies; Journal of Language and Social Psychology; Journal of Psycholinguistic Research; Journal of Experimental Psychology: Learning, Memory & Cognition; Journal of Experimental Psychology: Human Perception and Performance; Journal of Research in Reading; Journal of Voice; Journal of Cognitive Psychology; Language & Cognition; Language and Speech; Language Learning; Memory & Cognition; NeuroImage; Neurological Sciences; Neuroscience Research; Perceptual and Motor Skills; Plos One; Psychological Science; Psychology in Russia: State of the Art Journal; Psychonomic Bulletin & Review; Quarterly Journal of

Experimental Psychology; Reading & Writing; Research in Developmental Disabilities; Scientific Reports; Speech Communication.

Grants
National Science Foundation (CAREER).
Dutch Research Council (Vidi).

Doctoral Examination Board
   2020 – Marthese Borg, University of Malta, Malta
   2020 – Simone Gastaldon, University of Padua, Italy
   2022 – Daniela Rusich, LUMSA University, Italy
   2023 – Anna Lorenzoni, University of Padua, Italy

Peer reviewer for the evaluation of research products in the framework of the Italian Evaluation of Research Quality exercise (VQR 2015-2019).

Organized Congress, Workshop, Symposia

10. *Parole e significati: Prospettive contemporanee su rappresentazioni e processi semantici nel riconoscimento di parole*, Symposium organized at the XXIX Congresso Nazionale AIP (Associazione Italiana di Psicologia), sezione Psicologia Sperimentale, Lucca, Italy (18-20 September 2023).
9. *Emotions in native and foreign languages*, Symposium organized at the XXII Conference of the European Society for Cognitive Psychology (ESCoP), Lille, France (29 August-1 September 2022).
8. *Bilingualism and cognition*, Symposium organized at the XXVI Congresso Nazionale AIP (Associazione Italiana di Psicologia), sezione Psicologia Sperimentale (2-4 September 2020), virtual congress.
7. *Word Recognition and Reading Development: A workshop in Honor of Lucia Colombo*, Department of General Psychology, University of Padua, Padua (4 October 2019, Padua, Italy). [Member of the Scientific Committee]
6. *XXV Congresso Nazionale AIP (Associazione Italiana di Psicologia), sezione Psicologia Sperimentale*, hosted by the Faculty of Psychology, Vita-Salute San Raffaele (18-20 September 2019, Milano, Italy) [Member of the Scientific and the Organizer Committee].
5. *Word Recognition, Morphology, and Lexical reading: A Festschrift in Honor of Cristina Burani*. Workshop for Cristina Burani's retirement, Istituto di Scienze e Tecnologie della Cognizione, CNR (7 June 2019, Rome, Italy). [Member of the Scientific and Organizer Committee].
4. *Disturbi del linguaggio e tecnologia: opportunità per lo sviluppo personale e la socializzazione.* Workshop organized by the Fondazione Marica De Vincenzi onlus and the Department of Psychology and Cognitive Science – University of Trento (23 March 2018, Rovereto (TN), Italy).
3. *What the hands can say about the mind - Theoretical and technical insights on the mouse tracking methodology.* Symposium organized at the XX Conference of the European Society for Cognitive Psychology (ESCoP), Potsdam, Germany 3-6 September 2017.
2. *La mente giovane dell'anziano: risorse cognitive e tecnologie*. Workshop organized by the Fondazione Marica De Vincenzi onlus and the Department of Psychology and Cognitive Science – University of Trento (4 December 2015, Rovereto (TN), Italy).
1. *La lingua dei segni come strumento di cittadinanza*. Workshop organized by the Fondazione Marica De Vincenzi onlus and the Department of Psychology and Cognitive Science – University of Trento (17 October 2014, Rovereto (TN), Italy).

Grants

2023	*MUR-PRIN PNRR* (Italian Ministry of University and Research, PRIN funds). Functional characterization of decisional components in motor responses for young and older adults. Value: euro 219,973.00 (role: PI).
2023	*MUR-PRIN* (Italian Ministry of University and Research, PRIN funds). Project title: EPITHETS - Explaining Pejoratives In THeoretical and Experimental TermS – Value: euro 227,000.544 (role: co-PI; PI: Prof. Filippo Domaneschi).
2020	*Bial Foundation Grant Programme.* Project title: Redefining the boundaries between cognition and action through the psychophysiological investigation of binary decisions – Value: euro 21,000 (role: co-PI; PI: Dr. Michele Scaltritti).
2016	*AIP Travel Grant*, awarded by the Italian Association of Psychology (AIP) – Value: euro 500
2015	Grant for research projects developed by young researchers, Fondazione Cassa di Risparmio di Trento e Rovereto (CARITRO Foundation). Project title: LEILA – leggere libri digitali appropriati – Value: euro 45,000 (role: PI).
2014	*EASP - Postdoctoral 'seedcorn' research grants.* Project title: Dubbing voice: Does stereotypes matter? (role: co-PI; PI: Dr. Fabio Fasoli) – Value: euro 1,600
2013	*AIP Travel Grant*, awarded by the Italian Association of Psychology (AIP) – Value: euro 300
2013	*NetWordS travel grant*, awarded by NetWordS (The European Network on Word Structure). Project title: Early access of phonology in visual word recognition and reading: A cross-linguistic MEG investigation (role: PI) – Value: euro 1,165
2012	*NetWordS short visit grant*, awarded by NetWordS (The European Network on Word Structure). Project title: Word suffixes and stress assignment in reading (role: PI) – Value: euro 2,100
