

REPLY CYBER SECURITY CHALLENGE

CAPTURE THE FLAG

Dear Challenger,

Here's your promotional kit to help spread the word about the ONLINE Reply Cyber Security Challenge on **13TH OCTOBER**.

WHAT IS THE REPLY CYBER SECURITY CHALLENGE?

It's a 24-hours online team-based competition. Focused on security, it's open to anyone who loves technology, computer science and cyber security. Each team (made up of 2 - 4 members) has to solve five increasingly difficult problems in five different categories in the Capture the Flag edition: **Coding, Web, Miscellaneous, Crypto and Binary**. Players must have a PC and be able to connect to **CHALLENGES.REPLY.COM** in order to take part in the challenge.

WHO CAN TAKE PART?

Students or professionals who are 16 years or older. They have to form or join a team of 2 - 4 members to compete.

WHEN & WHERE?

1. Players can register online on challenges.reply.com and form a team of 2 - 4 members. They have time until Thursday 12th, October at midnight.
2. 13th October: the **24-HOUR ONLINE CHALLENGE** starts at 19:30 CEST.

THERE'S ALSO A UNIVERSITY STUDENTS' LEAGUE WITH ITS OWN LEADERBOARD

While registering, students can tell us the name of their university, earn points, and climb the **University Students' Leaderboard** to win a cool **Reply Arcade Game** for their university's communal area. Or they can choose to receive a **financial donation** to support an educational or research project.

WHAT'S THE PRIZE?

Members of the winning team will each receive a **GAMING LAPTOP**, the second team will each receive a pair of **BEATS STUDIO PRO**, and the third team will each receive a **RAZER GAMING KEYBOARD**.
