

## Professor Carlos Moreno

**Scientific Director of Chaire ETI “Entrepreneurship Territory Innovation”  
Research Lab at IAE Paris Sorbonne Business School  
University Paris1 Panthéon Sorbonne**

**Professor  
IAA, International Academy of Architecture**

Researcher of international renown, **Carlos Moreno is Scientific director of the Chaire ETI “Entrepreneurship Territory Innovation” (Research Lab at IAE Paris Sorbonne Business School, University Paris1 Panthéon Sorbonne).**

Carlos Moreno earned international recognition as a scientist with an innovative mind, pioneer works and his unique approach on urban issues. He is also a scientific advisor of national and international figures of the highest level.

He works at the heart of issues of international significance as a result of his research, bringing an innovative perspective on urban issues and offering solutions to the issues faced by the cities, metropolises and territories during the 21st century.

Some of his concepts traveled the world: the ‘Human Smart City’, the ‘15-Minute City’, the ‘30-Minute Territory’.

In 2022, he is leading the launch of the Global Observatory of proximities at the World Urban Forum with UN-Habitat, C40 Cities, UCLG and other partners.
