

INVEST Online courses now open!

As a student at an INVEST alliance partner university, you have access to flexible, international, and future-focused online courses. This autumn, INVEST offers two brand-new options to help you take your skills to the next level – open to Bachelor's and Master's students from all study fields. Choose one or both of these exciting new courses!

INVEST in YOU! – 2 ECTS

Key skills for navigating multicultural collaboration and sustainable development

Prepare for the future of work with this flexible, online course designed to build your confidence in multicultural teamwork, soft skills, and sustainability. Through real-life examples from the INVEST alliance, you'll gain practical tools to thrive in international environments and shape your career path in a rapidly changing world.

AI-enabled early innovation – 3 ECTS

Developing new business ideas with personal means and AI

In this online course, you will learn to develop innovative business ideas by combining your personal resources with emerging technologies and AI. The course focuses on effectual entrepreneurship and AI-assisted creativity, offering practical skills for early-stage innovation. Using proven frameworks, you'll receive step-by-step guidance and AI prompts to generate, refine, and plan viable ideas.
