

**ADMISSION TO THE MASTER'S DEGREE PROGRAMME IN
ARTIFICIAL INTELLIGENCE FOR SCIENCE AND TECHNOLOGY
- F9103Q
A.Y. 2025-2026**

1. Introduction

Degree programme language: English

Access: Open access with entry requirements examination

PLEASE NOTE:

- ☐ Applicants with a foreign academic qualification must apply exclusively via [Dream Apply](#).
- ☐ Students wishing to enrol in the master's degree programme **by transfer from another master's degree programme at this University or transfer from another University** must still apply for career evaluation and may only enrol if admitted.

2. Entry requirements and assessment of background knowledge

Admission to the master's degree programme in Artificial Intelligence for Science and Technology (LM-91) is subject to the possession of specific curricular requirements and to the adequacy of personal preparation verified by an Evaluation Committee in accordance with the procedures defined in the degree programme's Didactic Regulation (A.Y. 2025/2026).

Admission to the master's degree programme in Artificial Intelligence for Science and Technology requires a bachelor's degree (or three-year university diploma).

Once the curricular requirements have been verified, admission to the course is conditional on the assessment of the adequacy of personal preparation. The adequacy of personal preparation will be assessed by means of an interview by an Evaluation Commission.

Interviews will be held remotely.

2.1 Entry Requirements

Basic knowledge of Computer Science, Mathematics, Statistics and Physics is required. The following is therefore required possession of a total of at least 30 CFUs in the following academic disciplines: INF/01, ING-INF/05, ING-INF/03, MAT/01 to MAT/09, SECS-S/01 to SECS-S/06, FIS/01 to FIS/08. A B2 level knowledge of the English language is required for admission (see paragraph 2.1.2)

Please Note: CFUs (i.e. ECTS) gained with single course exams not corresponding to compulsory teaching activities in the Master's Degree Programme in Artificial Intelligence for Science and Technology can also be counted to reach the required 30 CFUs. However, these exams cannot be applied for the purpose of shortening the Master's Degree Programme. Single course CFUs that constitute compulsory activities in Artificial Intelligence for Science and Technology are not counted for the achievement of 30 CFUs and may be recognised after enrolment.

The interview will focus on ascertaining basic knowledge in Computer Science, Mathematics, Statistics and Physics. In particular, basic knowledge of the following subjects will be tested:

- **Computer Science:** Programming, Algorithms, Data Structures, Artificial Intelligence;
- **Mathematics:** Linear Algebra, Differential and Integral Calculus in one or more variables, Series, Numerical Series;
- **Statistics:** Descriptive Statistics, Probability, Random Variables, Inference, Linear Model;
- **Physics:** elements of Statics, Dynamics, Energy, Thermodynamics, Electromagnetism and Optics.

2.1.1 Requirements for exemption or admission to interview

- I. Candidates meeting the curricular requirements (at least 30 CFUs in total in the following fields scientific disciplines INF/01, ING-INF/05, ING-INF/03, MAT/01 to MAT/09, SECS-S/01 to SECS-S/06, FIS/01 to FIS/08) are **exempt from the interview if:**

- Hold a bachelor's degree with a mark of 100/110 or higher;

OR:

- Hold a master's degree in one of the following classes: LM-17, LM-18, LM-21, LM-25, LM-27, LM-32, LM-35, LM-40, LM-44, LM-66, LM-82, LM-91.

- II. Students who meet all of the following four conditions are also **exempt from the interview:**

1. Hold a bachelor's degree awarded with a mark of 95/110 or higher and less than 100/110;
2. The CFUs in Computer Science obtained in the previous university career are at least 20 (INF/01 and/or ING-INF/05);
3. The CFUs in Mathematics obtained in the previous university career are at least 15 (MAT/01, MAT/02, MAT/03, MAT/04, MAT/05, MAT/07, MAT/08, MAT/09);
4. The CFUs in Statistics and Probability obtained in the previous university career are at least 5 (SECS-S/01 to SECS-S/06 or MAT/06).

If the knowledge relating to one of the previous conditions 2, 3 and 4 for exemption from interview was acquired, as part of a teaching activity classified in an academic discipline (i.e. settori scientifico-disciplinari or SSD) other than those indicated, it is necessary to attach the syllabus of that teaching to enable it to be assessed.

- III. Students who meet the curricular requirements (at least 30 CFU in total in the following academic disciplines: INF/01, ING-INF/05, ING-INF/03, MAT/01 to MAT/09, SECS-S/01 to SECS-S/06, FIS/01 to FIS/08) but don't fall under the cases of exemption from the interview **are admitted to interview if** they meet all 4 of the following conditions:

1. Hold a bachelor's degree awarded with a mark of 85/110 or higher;
2. The CFUs in Computer Science obtained in the previous university career are at least 6 (INF/01, ING-INF/05);
3. The CFUs in Mathematics obtained in the previous university career are at least 6 (MAT/01, MAT/02, MAT/03, MAT/04, MAT/05, MAT/07, MAT/08, MAT/09);
4. The CFUs in Statistics and Probability obtained in the previous university career are at least 4 (SECS-S/01 to SECS-S/06 or MAT/06).

If the knowledge relating to one of the previous conditions 2, 3 and 4 for exemption from interview was

acquired, as part of a teaching activity classified in an academic discipline (i.e. settori scientifico-disciplinari or SSD) other than those indicated, it is necessary to attach the syllabus of that teaching to enable it to be assessed.

- IV. For **graduand candidates**, who will achieve the Bachelor's degree by December 23, 2025, will be taken into account those teaching activities that have been successfully passed as reported in the documentation submitted and will be considered the average of the grades obtained, weighted with the respective CFUs.

Students who do not fall into one of the above cases will not be admitted to the Master's degree course.

2.1.2 B2 level English language certification (Common European Framework of Reference for Languages - CEFR)

A B2 level knowledge of the English language is required for admission; all candidates must upload **one** of the following alternatives:

1. A certificate, recognised by our University, corresponding to level B2 or higher.
Please note: certificates must not have been obtained more than 3 calendar years before the date of application; see the list of accepted certificates here: https://www.unimib.it/sites/default/files/2023-11/Certificazioni_INGLESE_ott2023_UNIMIB_def.pdf
2. The B2 Open Badge from the *Università degli Studi di Milano-Bicocca* **or** passed the B2 Placement Test from the *Università degli Studi di Milano* **or** the Open Badge English B2 from the *Università degli Studi di Pavia*;
3. A declaration of the University of origin certifying that the attended degree programme is entirely or almost entirely offered in English.
4. Candidates holding a passport from the following countries fulfil the requirement: Antigua and Barbuda, Australia, Bahamas, Barbados, Belize, Canada, Dominica, Grenada, Guyana, Ireland, Jamaica, Malta, New Zealand, St. Kitts and Nevis, St. Lucia, St. Vincent and the Grenadines, Trinidad and Tobago, United Kingdom, USA.

As an alternative to the options described, **candidates may request to take the English test offered by our University**, by filling in and uploading the request form available on the same [webpage](#) as this notice.

The test will be held in person, candidates will receive instructions on how to participate by email.

3. First application period for candidates holding an Italian academic qualification

Candidates who will achieve their Italian academic title by 23 December 2025, may apply for a career evaluation on the dates indicated below:

Application deadlines	Remote interview dates
From 12 May to 27 June 2025	8 July 2025 - 09:00 a.m.
From 1 July to 1 September 2025	11 September 2025 - 09:00 a.m.

A fee of €30 must be paid via [Segreteria Online](#) no later than the deadlines for submitting the career assessment application (see Article 4.4).

4. How to apply

The application for a career evaluation must be completed online via [Segreteria Online](#), as indicated below.

4.1 Registration on Segreteria Online (first access only)

If the candidate is accessing the system for the first time, he/she must register his/her personal data by selecting “Registration” in the Reserved Area and following the indicated procedure. The data required for registration are tax code, personal details, address of residence and domicile, telephone number and e-mail address (which the University requires to send any communications to the candidate). Registration may only be carried out once. Foreign candidates without a tax code may also register, they must select: “Foreign student without tax code”. At the end of registration, the username assigned by the system and the personal password chosen will allow the login for candidates’ application to the master’s degree programme (to retrieve your password please consult the Password Management page).

4.2 Application

After logging in, click “Evaluation Test” in the registered area, then proceed by selecting: “Artificial Intelligence for Science and Technology - Domanda di valutazione riservata ai candidati con titolo accademico italiano” (“Artificial Intelligence for Science and Technology - Application reserved for students holding an Italian academic title”)

To complete the application, candidates are required to upload:

- 1) Valid ID document (identity card or passport).
- 2) Digital ID photo in bitmap or jpeg format with a resolution of at least 300x400 pixels, only the candidate’s face on a light background must be visible. It will be printed on the university badge in the case of enrolment.
- 3) The requested academic documentation, following the instructions below.

Candidates should prepare their documentation in advance, once the application procedure has been completed, it will no longer be possible to add or replace attachments.

After uploading the required documents, only candidates who have not yet graduated by the application date will be asked to fill an “Admission Questionnaire”. Once the questionnaire is filled in, it must be confirmed, otherwise the information entered will not be acquired. Once the procedure has been completed, click EXIT to continue and conclude the admission procedure.

4.3 Uploading academic titles

Candidates must upload the following mandatory documentation on the “Management of qualifications and documents for evaluation” page (Please note that “MIN 0” means that it is not compulsory to upload the document, “MIN 1” that it is compulsory to upload the document otherwise it is not possible to continue the application, “MAX” indicates the maximum number of documents that can be uploaded):

- **Graduates/graduands from this university**
 - ✓ Proof of knowledge of the English language (see paragraph 2.1.2)
 - ✓ Other titles and/or statements of relevant activities (not mandatory)

Students from this university are not required to upload any self-certification of their academic qualification.

- **Graduates from other universities**
 - ✓ **Mandatory** self-certification (i.e. Dichiarazione Sostitutiva di Certificazione) attesting the academic qualification, the graduation mark, passed exams, obtained CFUs and scientific areas (i.e. Settori Scientifico-Disciplinari or SSD). Please use the following form “Autocertificazione titoli e/o esami”. If the form is not sufficient to list all the exams taken, a second copy may be

filled out. The candidate will have to merge both copies into a single pdf file. **The self-certification must be signed by the candidate.**

- ✓ Proof of knowledge of the English language (see paragraph 2.1.2)
- ✓ Other titles and/or statements of relevant activities (not mandatory)

- **Graduands from other universities**

- ✓ **Mandatory** self-certification (i.e. *Dichiarazione Sostitutiva di Certificazione*) of enrolment in a bachelor's degree programme, passed exams, obtained CFUs and scientific areas (i.e. Settori Scientifico-Disciplinari or SSD). Please use the following form "[Autocertificazione titoli e/o esami](#)". If the form is not sufficient to list all the exams taken, a second copy may be filled out. The candidate will have to merge both copies into a single pdf file. **The self-certification must be signed by the candidate.**
- ✓ Proof of knowledge of the English language (see paragraph 2.1.2)
- ✓ Other titles and/or statements of relevant activities (not mandatory).

4.4 Payment of the €30 fee for career assessment on Segreterie OnLine

Candidates must pay the €30 fee using the "Pagamenti" button on the "Riepilogo iscrizione al concorso" page of Segreterie Online.

Please check that you have confirmed your application before paying the fee. If the "Pagamenti" button is not available, your application has not been confirmed yet.

Graduates/undergraduates at the University of Milan-Bicocca must pay the fee by accessing only the "Riepilogo iscrizione al concorso" page and not the "Tasse" section of the "Segreteria" menu.

Payment must be made no later than the deadline indicated on the payment slip. Failure to pay or late payment will result in exclusion from the assessment procedures. Under no circumstances will the payment be refunded.

Once payment has been registered - if made by the deadline indicated - the registration receipt can be printed. The receipt does not need to be submitted.

5. Publication of the admitted candidates list and enrolment deadline

Candidates admitted to the Master's degree programme with an exemption from the interview and eligible applicants for interview will be notified by email. Candidates to be interviewed will be contacted and instructed on how to participate via email.

In the days following the interviews, the list of all candidates admitted to the Master's degree programme will be published [here](#).

Admitted candidates will be able to enrol via [Segreteria OnLine](#) and pay the first down instalment of University fees from the day after the publication of the admitted candidates list and **by 24 October 2025**.

The enrolment of graduating students will take place under the condition that they obtain their Bachelor's degree by 23 December 2025, their academic careers will only be fully activated after graduation according to the following procedures:

- Graduating students coming from another university must self-certify the achievement of their degree by sending to segr.studenti.scienze@unimib.it the self-certification of degree achievement, using the "[Autocertificazione titoli e/o esami](#)" form (filling out only the part relating to the data of the degree achievement), and a scan of an ID document by **15 January 2026**;

- graduating students at the Università degli Studi di Milano-Bicocca must in any case enrol by **24 October 2025**, their master's degree career will be automatically activated upon graduation;

6. Second application period for candidates holding an Italian academic qualification

Candidates who will achieve their Italian academic title by 27 February 2026, may apply for a career evaluation on the dates indicated below:

Application deadlines	Interview dates
From 8 January to 26 January 2026	16 February 2026

A fee of €30 must be paid via [Segreteria Online](#) no later than the deadline for submitting the career assessment application (see Article 4.4).

Please note: students enrolling in the master's degree programmes between January and March 2026 will be required to pay the fees for the entire academic year (first instalment down payment at the time of enrolment, first instalment balance payment and second instalment payment at a later time).

6.1 How to apply
