

CURRICULUM VITAE

Personal Information

Simone Sulpizio
Date of Birth: 19 September 1984
Office Address: Piazza dell'Ateneo Nuovo, 1 – 20126 Milano, Italy
e-mail: simone.sulpizio@unimib.it
website: <https://sites.google.com/view/simonesulpizio/>

Research Interests:

- Neurocognitive mechanisms of word processing
- The interplay between language processing and social and emotional factors
- Bilingualism

Professional History

- 2022- Associate Professor, Department of Psychology, University of Milano-Bicocca, Milan, Italy.
- 2019-2022 Assistant Professor, Department of Psychology, University of Milano-Bicocca, Milan, Italy.
- 2016-2019 Assistant Professor, Faculty of Psychology, Vita-Salute San Raffaele University, Milan, Italy.
- 2015-16 Post-doctoral researcher, Department of Psychology and Cognitive Science, University of Trento, Italy.
- 2014-15 Assistant Professor, Department of Neurobiology and Behavior, Nagasaki University, Japan.
- 2012-14 Post-doctoral researcher, Department of Psychology and Cognitive Science, University of Trento, Italy.
- 2011-12 Post-doctoral research grant, Fondazione Marica De Vincenzi onlus.

Other appointments

- 2025- Coordinator of the Undergraduate Program in Psychosocial Communication Sciences, Department of Psychology, University of Milano-Bicocca.
- 2023-25 Deputy coordinator of the Doctoral course in Psychology, Linguistics, and Cognitive Neuroscience, University of Milano-Bicocca, Italy.
- 2022- Member of the board of directors of the Inter-university Research Center for Cognitive Studies on Language.
- 2020- Member of the Committee of the Doctoral course in Psychology, Linguistics, and Cognitive Neuroscience, University of Milano-Bicocca, Italy.
- 2019-20 Member of the Committee of the Doctoral course in Cognitive Neuroscience, Vita-Salute San Raffaele University, Italy.
- 2017-19 Member of the Committee of the Doctoral course in Cognitive Science, University of Trento, Italy.

Member of the following research groups: Milano Center for Neuroscience (NeuroMi, University of Milano-Bicocca, since 2021), Interfaculty centre for gender studies (Vita-Salute San Raffaele University), Bicocca Language Group (University of Milano-Bicocca, since 2020), Italian Reproducibility Network (since 2021); XPRAG.it – An Italian Network of Experimental Pragmatics (since 2019); Inter-university Research Center for Cognitive Studies on Language (since 2022); Slurring Terms across languages (STAL) network (since 2023, <https://sites.google.com/view/stalnetwork>).

National Scientific Habilitation (ASN) for Full Professorship

Education

- 2011 Ph.D. in Psychological Sciences and Education, University of Trento, Italy.
- 2008 Degree in Linguistics, *summa cum laude*, University of Rome “La Sapienza”, Italy.

Additional education courses

- 2025 Progettazione e gestione dei corsi di studio con i requisiti AVA3 (Design and management of University Courses, online course), Fondazione CRUI (November 10th, 11th, 13th, 14th).
- 2013 Autumn School. *Methods in language comprehension: New methods for studying sentence comprehension in Cognitive Science, Behavioral Science and Neuroscience*. Department of Psychology and Cognitive Science and Center for Mind/Brain Sciences - CIMEC, Rovereto (TN), Italy (November, 14th-17th).
- 2011 Summer School. *Il modello lineare misto e le sue applicazioni* [The linear mixed model and its applications]. AIP (Italian Association of Psychology), Bertinoro (FC), Italy (September, 5th-10th).
- 2010 *R Workshop*. Max Planck Institute for Psycholinguistics, Nijmegen, The Nederland (April, 21th, 26th, and 27th).
- 2009 Winter School. *Il lessico. Metodi di analisi, modelli e applicazioni* [Lexicon. Methods of analysis, models and applications]. TRIPLE, University of Roma Tre, Rome, Italy (January, 26th-30th).

Visiting Research Experience

- 2013 Basque Center on Cognition, Brain and Language, Donostia-San Sebastián, Spain (June).
- 2010 Max Planck Institute for Psycholinguistics – Language Comprehension Group, Nijmegen, The Netherlands. (January-July and October).

Teaching Activity (last 3 years)

2025-26

- *Apprendimento, Pensiero e Decisione* [Learning, Reasoning, and Decision making], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].

- *Psicologia Generale I* [General Psychology 1], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].

- *Psicologia Generale* [General Psychology], Scuola di specializzazione in neuropsicologia [Post-graduate school in neuropsychology], Department of Psychology, University of Milano-Bicocca (Milan, Italy) [Teacher, 8 hours]

2024-25

- *Apprendimento, Pensiero e Decisione* [Learning, Reasoning, and Decision making], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].
- *Psicologia Generale 1* [General Psychology 1], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].
- *Psicologia Generale 2* [General Psychology 2], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [co-Teacher, 56 hours].
- *Psicologia Generale* [General Psychology], Scuola di specializzazione in neuropsicologia [Post-graduate school in neuropsychology], Department of Psychology, University of Milano-Bicocca (Milan, Italy) [Teacher, 8 hours]

2023-24

- *Apprendimento, Pensiero e Decisione* [Learning, Reasoning, and Decision making], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].
- *Psicologia Generale 1* [General Psychology 1], Department of Psychology, University of Milano-Bicocca (Milan, Italy), October-December [Teacher, 56 hours].
- *Psicologia Generale* [General Psychology], Scuola di specializzazione in neuropsicologia [Post-graduate school in neuropsychology], Department of Psychology, University of Milano-Bicocca (Milan, Italy) [Teacher, 8 hours]
- *Introduzione ai processi di elaborazione linguistica* [Introduction to language processing], course for PhD students of the Doctoral course in Linguistics, University of Bolzano and University of Verona, October 23 [Teacher, 4 hours].

Mentoring experience

PhD Level

- | | |
|-----------|--|
| 2017-20 | Giulia Calignano (Doctoral Course in Cognitive Science, University of Trento; co-supervisor Prof. Francesco Vespignani). |
| 2018-2021 | Giuseppe Di Dona (Doctoral Course in Cognitive Science, University of Trento, co-supervisor Dr. Michele Scaltritti) |
| 2023- | Alessia Tirelli (Doctoral Course in Cognitive Neuroscience, Vita-Salute San Raffaele University, co-supervisor Dr. Nicola Del Maschio) |
| 2024- | Beatrice Lanzini (Doctoral Course in Psychology, Linguistics, and Cognitive Neuroscience, University of Milano-Bicocca, Italy, co-supervisor Prof. Francesca Foppolo). |

Post-doc level

- | | |
|-----------|--|
| 2025- | Luca Moretti (Department of Psychology, University of Milano-Bicocca) |
| 2025 | Chrysoula (Lina) Vassiliu (Visiting Post-doc from University of Cambridge) |
| 2021-2025 | Giacomo Spinelli (Department of Psychology, University of Milano-Bicocca) |
| 2024- | Elisa Fiora (Department of Psychology, University of Milano-Bicocca) |
| 2024-2025 | Giulia Giunta (Department of Psychology, University of Milano-Bicocca) |

Reviewing and Advisory Activity

Editorial Board: Bilingualism: Language and Cognition (2019-); Plos One (2018-); Frontiers in Language Sciences – Language processing (2022-; Review Editor)

Guest Editor:

- Bilingualism: Language and Cognition (Special issue title: Emotional processing in a second language; co-edited with Nicola Del Maschio)
- Frontiers in Psychology - Language Sciences (Research Topic: Binding reading aloud and speech production; co-edited with Sachiko Kinoshita).
- Frontiers in Language Sciences (Research Topic: Communication, Behavior, and Emotion in Multilingual Societies; co-edited with Susanne Brouwer, Adriana Hanulikova, Kristin Van Engen, Rafał Jończyk).

Ad hoc reviewer for: Acta Psychologica; Annals of the New York Academy of Science; Applied Economics; Applied Psycholinguistics; Attention, Perception & Psychophysics; Autism Research; Behavior Research Methods; Behavioural Brain Research; Bilingualism: Language and Cognition; Brain Communications; British Journal of Psychology; Cerebral Cortex; Collabra: Psychology; Cognitive, Affective, and Behavioral Neuroscience; Cognitive Processing; Cognition & Emotion; Cortex; Dyslexia; Experimental Brain Research; Frontiers in Psychology; Giornale Italiano di Psicologia; Infant & Child Development; International Journal of Bilingualism; Journal of Gender Studies; Journal of Language and Social Psychology; Journal of Psycholinguistic Research; Journal of Experimental Psychology: Learning, Memory & Cognition; Journal of Experimental Psychology: Human Perception and Performance; Journal of Research in Reading; Journal of Voice; Journal of Cognitive Psychology; Language & Cognition; Language and Speech; Language Learning; Memory & Cognition; Neurobiology of Language; NeuroImage; Neurological Sciences; Neuropsychologia; Neuroscience Research; PNAS Nexus; Perceptual and Motor Skills; Plos One; Psychophysiology; Psychological Science; Psychology in Russia: State of the Art Journal; Psychonomic Bulletin & Review; Quarterly Journal of Experimental Psychology; Reading & Writing; Research in Developmental Disabilities; Scientific Reports; Speech Communication; Visual Cognition.

Grants

ERC (Synergy Grant)

National Science Foundation (CAREER).

Dutch Research Council (Vidi).

Fonds de la Recherche Scientifique - FNRS (Credits & Projects)

Doctoral Examination Board

2020 – Marthese Borg, University of Malta, Malta

2020 – Simone Gastaldon, University of Padua, Italy

2022 – Daniela Rusich, LUMSA University, Italy

2023 – Anna Lorenzoni, University of Padua, Italy

2024 – Khanitin Jornkokgoud, University of Trento, Italy

Peer reviewer for the evaluation of research products in the framework of the Italian Evaluation of Research Quality exercise (VQR 2015-2019).

Organized Congress, Workshop, Symposia (representative examples)

- *Bilingualism Matters Symposium 2026*, Annual conference of Bilingualism Matters, Milano, Italy (28-30 April 2026) [Member of the Scientific Committee]

- *On the functional relation between cognitive and motor processes: Current perspectives for an integrated view*, Symposium organized at the XXIV Conference of the European Society of Cognitive Psychology (ESCoP), Sheffield, UK (1-6 September 2025).
- *Emotions in native and foreign languages*, Symposium organized at the XXII Conference of the European Society for Cognitive Psychology (ESCoP), Lille, France (29 August-1 September 2022).
- *XXV Congresso Nazionale AIP (Associazione Italiana di Psicologia), sezione Psicologia Sperimentale*, hosted by the Faculty of Psychology, Vita-Salute San Raffaele (18-20 September 2019, Milano, Italy) [Member of the Scientific and the Organizer Committee].
- *Word Recognition, Morphology, and Lexical reading: A Festschrift in Honor of Cristina Burani*. Workshop for Cristina Burani's retirement, Istituto di Scienze e Tecnologie della Cognizione, CNR (7 June 2019, Rome, Italy). [Member of the Scientific and Organizer Committee].

Grants (last 5 years)

- | | |
|------|---|
| 2023 | Fondo Ateneo Quota Competitiva (Milano-Bicocca University grant for projects that received a good evaluation but were not funded from National or International agencies). Project title: Embedding actions into decisions: Decision making as a continuous flow of information from cognition to motor execution. Value: euro 25,000 (role: PI). |
| 2023 | <i>MUR-PRIN PNRR</i> (Italian Ministry of University and Research, PRIN funds). Project title: Functional characterization of decisional components in motor responses for young and older adults. Value: euro 219,973.00 (role: PI). |
| 2023 | <i>MUR-PRIN</i> (Italian Ministry of University and Research, PRIN funds). Project title: EPITHETS - Explaining Pejoratives In THEoretical and Experimental TermS – Value: euro 227,000.544 (role: co-PI; PI: Prof. Filippo Domaneschi). |
| 2020 | <i>Bial Foundation Grant Programme</i> . Project title: Redefining the boundaries between cognition and action through the psychophysiological investigation of binary decisions – Value: euro 21,000 (role: co-PI; PI: Dr. Michele Scaltritti). |

Invited Talks

22. *Unlocking Meaning: The Central Role of Semantics in Visual Word Recognition and its Relation to Cognitive Control*. 2025 Meeting of the Marica De Vincenzi Foundation – Multiple Approaches to Psycholinguistics, Rome, Italy, June 12-14, 2025.
21. *Love in your first language but risk in your second one*. INPACT World Conference, Milan, Italy, November 13-15, 2024.
20. *Around the world in 1460 days: Challenges of multi-lab projects: Some thoughts from a multi-lab study on taboo words*. Psicostat Meetings, University of Padua, November 14, 2024.
19. *Should I say or should I not – Properties and processing of taboo words*. XIX Conference of the Italian Association of Cognitive Science, University of Genoa, Genoa, Italy, December 14-16, 2023.
18. *Elaborazione linguistica delle parole tabù*. University of Bolzano, Bolzano, Italy, October 23, 2023.

17. *Are we in the face of a reproducibility crisis?*. SNACK SIPF, organized by the Italian Society of Psychophysiology and Cognitive Neuroscience, online meeting, September 29, 2023.
16. *Facing tabooess when recognizing written words*. Jezik & Linguistics Colloquia, University of Nova Gorica, Slovenia, May 27 2022.
15. *Decisions in actions – Psychophysiological evidence blurring the boundary between cognition and action*. Research seminars of the psycholinguistic group, University of Geneva, Switzerland, March 29, 2021.
14. *Pardon my French. On the processing of taboo words*. Seminar for Master students of the University of Milano Statale, Milano, Italy, October 9, 2020.
13. *Scusate il francesismo! Sull'elaborazione di parole tabù nel riconoscimento visivo di parole*. BILS (online) Seminars, University of Milano-Bicocca, Milano, Italy, July 6, 2020.
12. Sulpizio, S., Effetti del bilinguismo sulla connettività cerebrale. *Giornata del Centro Studi sul Linguaggio*, Rovereto (TN), Italy, September 27, 2019.
11. *The what and when of lexical stress in word recognition*. Word recognition and reading development – A workshop in honor of Lucia Colombo, Università degli studi di Padova, Padova, Italy, October, 4, 2019.
10. *Taboo words: From word properties to brain processing*. Series of Seminars “Language & Society”, Università degli studi di Milano, Milan, Italy, June, 13, 2019.
9. *Crisis of reproducibility or crisis of trust?* Workshop: Moving psychological science forward: Issues in methods and epistemology. Department of Psychology and Cognitive Science, University of Trento, Rovereto (TN), Italy, May, 6, 2019.
8. *On the processing of proper and common names: An event-related potential investigation*. Linguistic Structure and Language Processing - 10th year anniversary of the Fondazione Marica De Vincenzi Onlus, Rome, Italy June, 8-9, 2018.
7. *Parla e ti dirò chi sei! Il ruolo della voce nella nascita di stereotipi e discriminazioni: il caso dell'orientamento sessuale*. Lunch seminars of the Interfaculty Centre for Gender Studies, Vita-Salute San Raffaele University, Milan, Italy, October, 17, 2017.
6. *Il ruolo della voce nell'elaborazione del linguaggio* [The role of voice in language processing]. Tre giorni per l'italiano – edizione 2016/2017, Trento, Italy, September, 1, 2016.
5. *Feeling the cry: Ultrasonic effects of infant cry on lactating mothers*. Italian-Japan Summit - The Development of bonding: Integrating genes, behavior, and environment, Rovereto (TN), Italy, February, 5, 2016.
4. *The sound of voice: Voice-based categorization of speaker's sexual orientation*. Kumamoto University, Kumamoto, Japan, March, 22, 2015.
3. *From voice to prejudice: the case of voice-based categorization of sexual orientation*. Department of Psychology and Cognitive Science, University of Trento, Rovereto (TN), Italy, February, 27, 2014.
2. Sulpizio, S., The interaction between stress and segments in reading aloud. How does the phonology-to-phonetic mapping work? *Seminar at the Basque Center on Cognition, Brain and Language*, San Sebastian – Donostia, Spain, June, 10, 2013.
1. Sulpizio, S., The interaction between segmental and suprasegmental information in word reading, *Psycholinguistics at the ISTC-CNR*, Roma, Italy, May, 31, 2012.

Conference Presentations (last 3 years)

2025

- Giunta, G., Domaneschi, F., Cepollaro, B., Zappoli, A., D'Agruma, N., & Sulpizio, S., Reclaiming slurs: Evidence from pupillometry, *The 11th Experimental Pragmatics Conference – XPRAG 2025*, Cambridge, UK, September 17-19. [poster]
- Domaneschi, F., Cepollaro, B., Zappoli, A., Giunta, G., & Sulpizio, S., Processing reclaimed slurs, *The 11th Experimental Pragmatics Conference – XPRAG 2025*, Cambridge, UK, September 17-19. [poster]
- Songhorabadi, S. K., Sulpizio, S., & Scaltritti, M., Motor response execution and confidence: Understanding decisional dynamics, *XXXI Congresso Nazionale AIP (Associazione Italiana di Psicologia), sezione Psicologia Sperimentale*, Torino, Italy, September 11-13. [(mini-)talk]
- Fiora, E., Scaltritti, M., & Sulpizio, S., Diverse dinamiche decisionali alla base del riconoscimento di stimoli noti e nuovi, *XXXI Congresso Nazionale AIP (Associazione Italiana di Psicologia), sezione Psicologia Sperimentale*, Torino, Italy, September 11-13. [poster]
- Cacace, M., Scaltritti, M., & Sulpizio, S., Differenze di identificazione nelle parole tabù in L1 vs L2: Una questione di esposizione? *XXXI Congresso Nazionale AIP (Associazione Italiana di Psicologia), sezione Psicologia Sperimentale*, Torino, Italy, September 11-13. [poster]
- Lanzini, B., Sulpizio, S., & Foppolo, F., Semantic Accent in Bicultural Bilinguals: Investigating Conceptual Representations through Lexical Processing. *Congresso Nazionale AIP (Associazione Italiana di Psicologia), sezione Psicologia Sperimentale*, Torino, Italy, September 11-13. [poster].
- Spinelli, G., & Sulpizio, S., Speaking a second language is not an interference task: Implications for hypotheses of bilingual advantages and other language-control associations, *XXIV Conference of the European Society of Cognitive Psychology (ESCoP)*, Sheffield, UK, September 1-6. [talk]
- Songhorabadi, S. K., Sulpizio, S., & Scaltritti, M., Decisional processes in motor-response execution: Assessing decision bias and response confidence, *XXIV Conference of the European Society of Cognitive Psychology (ESCoP)*, Sheffield, UK, September 1-6. [poster]
- Fiora, E., Scaltritti, M., & Sulpizio, S., To know or not to know? Different decisional dynamics in motor-response execution, *XXIV Conference of the European Society of Cognitive Psychology (ESCoP)*, Sheffield, UK, September 1-6. [poster]
- Scaltritti, M., Songhorabadi, S. K., Fiora, E., & Sulpizio, S., Independent decisional components in motor-response execution, *XXIV Conference of the European Society of Cognitive Psychology (ESCoP)*, Sheffield, UK, September 1-6. [talk]
- Tirelli, A., Sulpizio, S., & Del Maschio, S., Neurocognitive Mechanisms of Emotion Regulation in the Bilingual Brain, *XV International Symposium on Bilingualism*, San Sebastian, Spain, June 9-13. [poster]
- Lanzini, B., Sulpizio, S., & Foppolo, F., Semantic Accent in Bicultural Bilinguals: Investigating Conceptual Representations through Lexical Processing, *Psycholinguistics in Flanders*, Lille, France, May 19-20. [poster]
- Del Maschio, N., Abutalebi, J., & Sulpizio, S., Neural correlates of emotional interference in bilinguals' first and second language, *XV International Symposium on Bilingualism*, San Sebastian, Spain, June 9-13. [poster]

2024

- Sulpizio, S., Songhorabadi, S. K., & Scaltritti, M., Predicting stimulus category from peripheral motor indexes: Evidence from binary decision tasks, *LXV Annual Meeting of Psychonomic Society*, New York, USA, November 21-24. [poster]
- Scaltritti, M., Songhorabadi, S. K., & Sulpizio, S., Functional Characterization of the Motor Component in Decision Making: Response Control or Bias? Maybe None of Them. *LXV Annual Meeting of Psychonomic Society*, New York, USA, November 21-24. [poster]

- Spinelli, G., & Sulpizio, S., Which conflict(s) do we control when we control conflict? An examination using a conflict dissociation Stroop task. *Integrative perspectives on Conflict and Control*, Tübingen, Germany, October 7-9. [poster]
- Scaltritti, M., Songhorabadi, S. K., & Sulpizio, S., Assessing the decisional content of motor responses through electromyographic measures of manual button-press responses: Response control and bias, *XXXII Congresso Nazionale SIPF (Società Italiana di Psicofisiologia)*, Cesena, Italy, September 4-6. [poster]
- Songhorabadi, S. K., Sulpizio, S., & Scaltritti, M., Investigating the Decision-Making Process Underlying Motor Responses Through Electromyography: Assessment of Online Response Control and Response Bias. *XXX Congresso Nazionale AIP (Associazione Italiana di Psicologia)*, sezione *Psicologia Sperimentale*, Noto (SR), Italy, September 23-25. [talk]
- Bonandrini, R., Giorgione, L., Mazzucchelli, A., Basso, G., Amenta, S., Sulpizio, S., Marelli, M., & Tettamanti, M., Meaningable gobbledygooks in the brain: an fMRI study on the role of morphology in reading novel words, *42° European Workshop on Cognitive Neuropsychology*, Brixen, Italy, January 21-26. [poster]
- Spinelli, G., & Sulpizio, S., On the need for a systematic investigation of the interaction between working memory and cognitive control, *The 4th International Conference on Working Memory*, Leeds, UK, 25-27 June. [poster]

2023

- Tettamanti, M., Bonandrini, R., Giorgione, L., Mazzucchelli, A., Basso, G., Amenta, S., Sulpizio, S., & Marelli, M., The role of morphological information on reading novel words: an fMRI study, *NeuroMi 2023 – Annual Meeting of Milan Center for Neurosciences*, Milan, Italy, 5 December. [poster]
- Sulpizio, S., Spinelli, G., & Scaltritti, M., The impact of working memory load on the semantic Stroop effect, *XXIII Conference of the European Society of Cognitive Psychology (ESCoP)*, Porto, Portugal, 6-9 September. [poster]
- Spinelli, G., & Sulpizio, S., Examining the resource requirements of proactive and reactive control in the Stroop task using a concurrent working-memory load, *XXIII Conference of the European Society of Cognitive Psychology (ESCoP)*, Porto, Portugal, 6-9 September. [talk]
- Günther, F., Marelli, M., & Sulpizio, S., A large database for taboo words in 14 languages, *XXIII Conference of the European Society of Cognitive Psychology (ESCoP)*, Porto, Portugal, 6-9 September. [talk]
- Scaltritti, M., Greatti, E., & Sulpizio, S., Lexical decision across the motor-hierarchy: An EEG/EMG investigation of the decisional components of motor-response execution, *XXIII Conference of the European Society of Cognitive Psychology (ESCoP)*, Porto, Portugal, 6-9 September. [talk]
- Bellini, C., Del Maschio, N., & Sulpizio, S., May your decisions reflect your language? How speaking a foreign language can affect choices in risky and uncertain situations, *XXIII Conference of the European Society of Cognitive Psychology (ESCoP)*, Porto, Portugal, 6-9 September. [poster]
- Günther, F., Marelli, M., & Sulpizio, S., A large database for taboo words in 14 languages, *Swisca 8 / CRAP Swearing Research Symposium*, Keele, UK, 19-20 June. [talk]
- Cepollaro, B., Bianchi, C., Stojanovic, I., & Sulpizio, S., Slurs in quarantine, *Slurring Terms Across Languages (STAL-2023)*, Paris, France, 7-8 June. [talk]

Public dissemination of science (last 3 years)

- Interviewed for an article on taboo words, *The Moncrieff show* (<https://www.newstalk.com/podcasts/highlights-from-moncrieff/the-power-of-swearing>)

- Interviewed for an article on taboo words, *Start on air* (<https://www.startmag.it/podcast/parolacce-simone-sulpizio/>)
- *Emozioni e cervello: Perché sentiamo le farfalle nello stomaco?* Public meeting at Piccolo Teatro Grassi (organized by On Air – Voce alla scienza), Milano, Italy, 11 December 2024.
- *M****! L'importanza delle parolacce nella comunicazione*, Public talk at MeetMeTonight (event for the Research Night), Milano, Italy, 28 September 2024.
- An article on the paper “Taboo language across the globe: A multi-lab study” appeared in the news of the University of Milano-Bicocca (<https://bnews.unimib.it/blog/riceca-parolacce-termini-tabu/>).
- Interviewed for an article on taboo words, *Fanpage*, 12 July 2024 (<https://www.fanpage.it/wamily/i-bambini-possono-conoscere-il-significato-delle-parolacce-il-parere-dello-psicologo/>).
- An article on the paper “Is adaptation involved in bilingual language production? A fresh look at the assumptions motivating potential bilingual-monolingual differences in adaptive control” appeared among the Psychonomic Society Featured Content (<https://featuredcontent.psychonomic.org/benefits-of-being-bilingual-not-adaptive-control/>)
- *How bilingualism as a life experience can change the brain and decision making*, public talk at “Languages in Science – research and engagement in GLOBAL perspective”, 27-28 July 2023, organized at The Story, Lancaster, UK.
- Interviewed for an article on taboo words, *Airone*, March 2023.
