

# FUTOUR

# FUture of sustainable TOURism

Join us for an immersive experience combining theory, hands-on practice, and cultural exchange in the heart of Slovakia!

**Preliminary Online Phase:** March 16th – April 19th, 2026

**Onsite Phase:** April 20th – April 24th, 2026 in Nitra, Slovakia

Discover how sustainability can shape the future of tourism and communities. Work in international teams on real-world challenges, blend online preparation with an interactive week in Slovakia, and build your personal skills. Learn from experts, collaborate across the INVEST Alliance, and experience the culture while contributing to sustainable solutions.
