

This guide contains the essential information to help you get started with your self-learning journey on the Altissia platform.

1. At your **first login**, choose your study language and complete the test to find out your level

The test is **optional**.
You may also choose your level directly.

Discover Your Level

Take a test to discover your official European level (CEFR).
The assessment takes approximately 40 minutes.

[I already know my level](#)

[Take a Language Assessment](#)

2. Choose your learning goal

Study

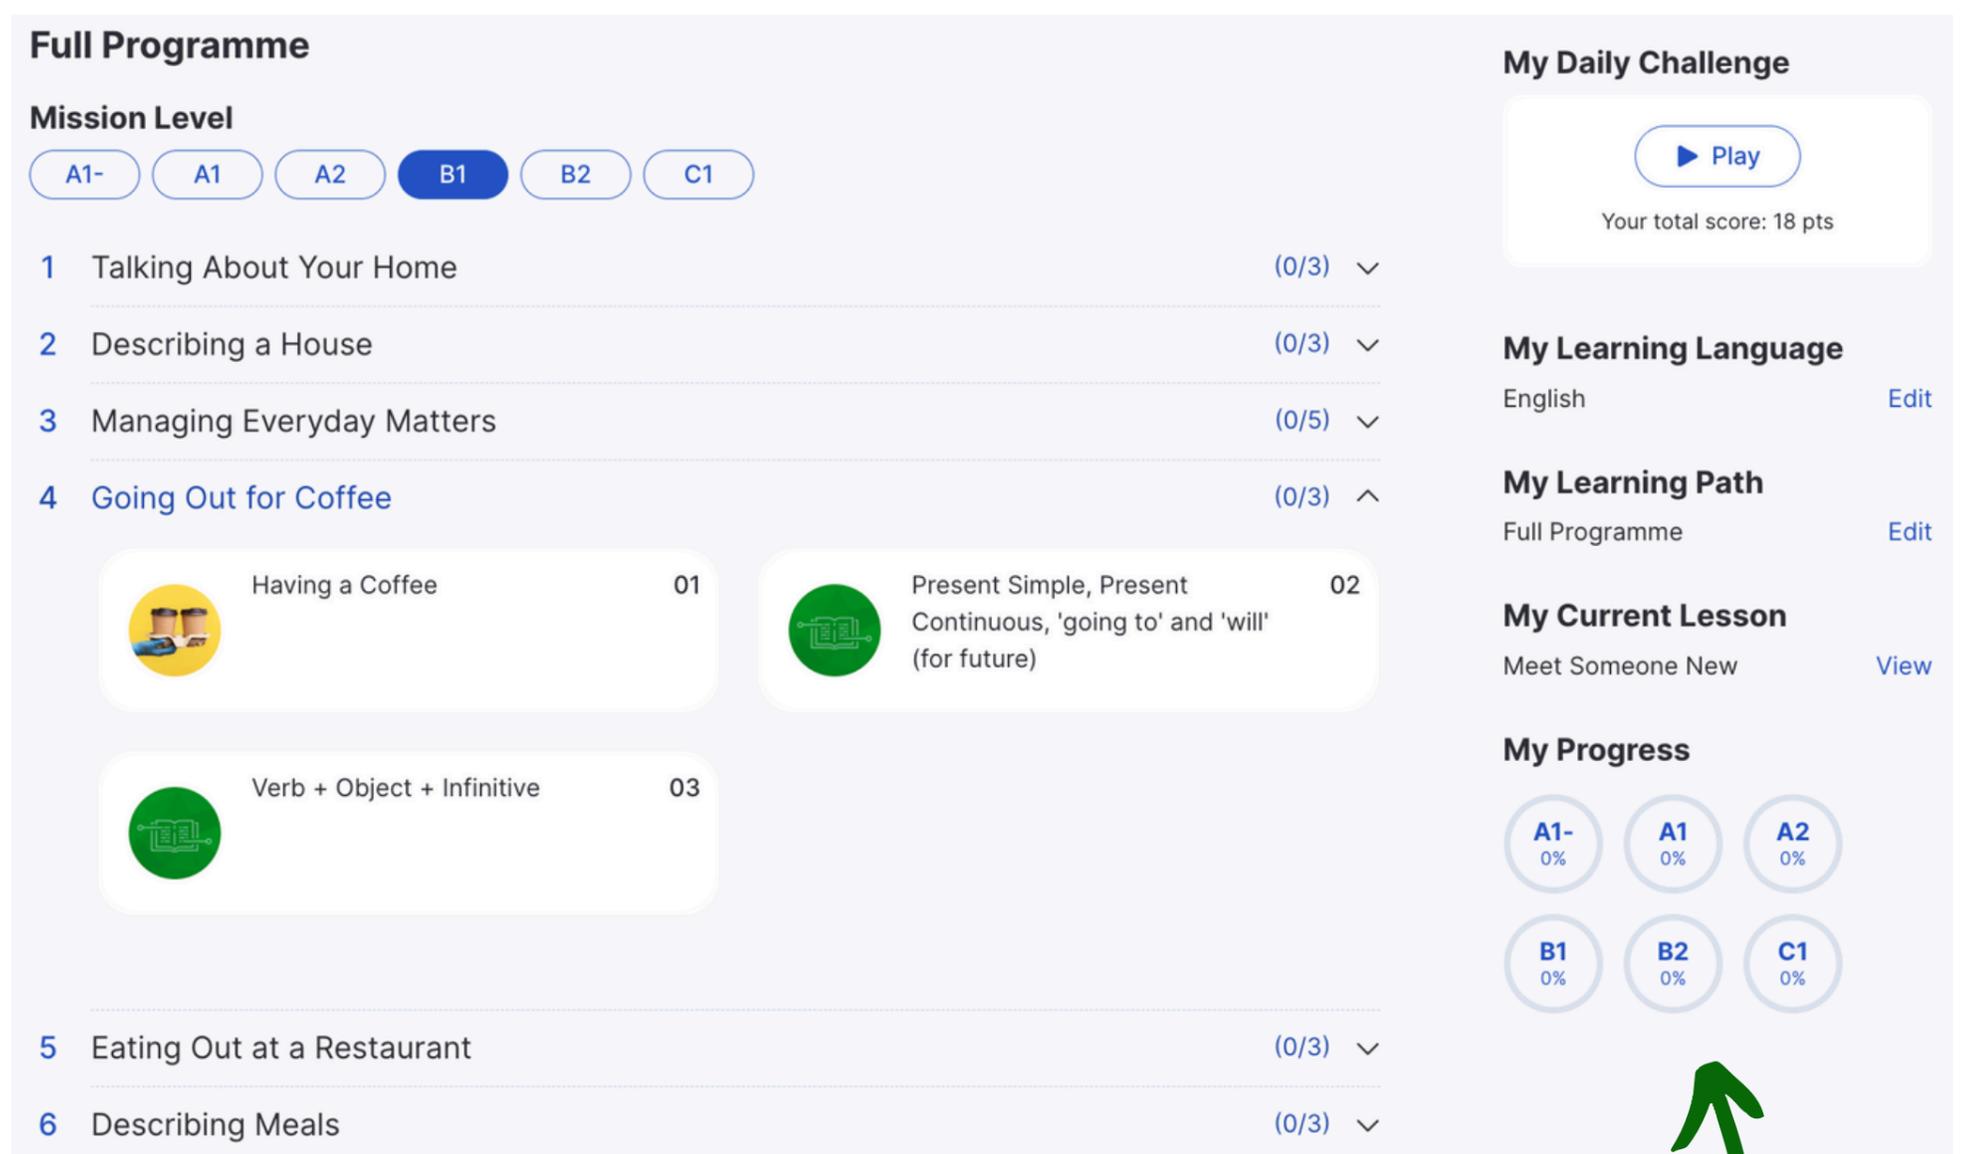

Taking notes, preparing an internship report, writing a summary, providing sources and writing a bibliography, etc.

Full Programme

Complete learning path covering general topics.

The learning goal **can be changed** at any time.

3. The Learning Path
