

ADMISSION TO THE MASTER'S DEGREE PROGRAMME IN OPTOMETRY AND VISION SCIENCE - F1702Q A.Y. 2026-2027

1. Introduction

Degree programme language: English

Access: Open access with entry requirements examination

PLEASE NOTE:

Applicants with a foreign academic qualification must apply exclusively via [Dream Apply](#).

Students wishing to enrol in the master's degree programme **by transfer from another master's degree programme at this University or transfer from another University** must still apply for career evaluation and may only enrol if admitted.

2. Entry requirements and assessment of background knowledge

Admission to the master's degree programme in Optometry And Vision Science (LM-17) is subject to the possession of specific curricular requirements and to the adequacy of personal preparation verified by an Evaluation Committee in accordance with the procedures defined in the degree programme's Didactic Regulation (A.Y. 2026/2027).

Admission to the master's degree programme in Optometry And Vision Science requires a bachelor's degree (or three-year university diploma).

Once the curricular requirements have been verified, admission to the course is conditional on the assessment of the adequacy of personal preparation. The adequacy of personal preparation will be assessed by means of an interview by an Evaluation Commission.

Interviews will be held remotely.

2.1 Entry Requirements

To be admitted to the Master's Degree Programme, applicants must meet the following requirements:

- **specific curricular requirements**, in particular holding a Bachelor's Degree in Class L-30 Physical Sciences and Technologies (ex DM 270/04) or Class 25 Physical Sciences and Technologies (ex DM 509/99), or another foreign qualification recognized as suitable.
Applicants holding a Bachelor's Degree from a different class must have acquired at least **30 ECTS** in the scientific-disciplinary sectors FIS/01 – Experimental Physics, FIS/03 – Physics of Matter, and FIS/07 – Applied Physics (to cultural heritage, environment, biology, and medicine).
- **proficiency in English** at level B2 or higher (see paragraph 2.1.2)

Please Note: CFUs (i.e. ETCS) gained with single course exams not corresponding to compulsory teaching activities in the Master's Degree Programme in Optometry And Vision Science can also be counted to reach the required 30 CFUs. However, these exams cannot be applied for the purpose of shortening the Master's Degree Programme. Single course CFUs that constitute compulsory activities in Optometry And Vision Science are not counted for the achievement of 30 CFUs and may be recognised after enrolment.

The personal preparation assessment interview, open only to candidates meeting the required curricular standards and demonstrating proficiency in English, will be conducted in English. The interview will cover topics within the following macro-areas:

- **Arithmetic and algebra:** trigonometry, exponentials and logarithms, complex numbers, functions of one and two real variables, derivatives and integrals, first and second-order differential equations;
- **Physics:** physical quantities and their measurement, classical kinematics and dynamics;
- **Electromagnetism:** classical electromagnetism, electromagnetic waves, interference, and diffraction;
- **Optics:** geometric optics in paraxial approximation and fundamental elements of geometric models of ocular optics;
- **Anatomy and Physiology:** anatomy and physiology of the visual system;
- **Ophthalmic Optics:** lens measurement instruments and spectacle centration;
- **Optometry Basics:** elements of refractive examination, instruments for the measurement and evaluation of ocular structures, and basic concepts for the application of soft and rigid contact lenses.

The syllabus, including a detailed breakdown of the interview topics, will be available on the degree program's [e-learning page](#). The interview will be graded based on the candidate's demonstrated mastery of the subject matter.

2.1.2 B2 level English language certification (Common European Framework of Reference for Languages - CEFR)

English language proficiency is considered acquired for candidates with an Italian qualification if they meet at least one of the following requirements:

- They have passed, within their university career, one or more English language exams for a total of at least **5 CFU at B2 level**;
- They hold an **English Language Certification** of at least B2 level recognized by the University ([Certificazioni INGLESE nov2025 UNIMIB.pdf](#)) and obtained no more than 5 years ago;
- They hold the **Between Languages Open Badge** – English at B2 level or higher (only for candidates from the University of Milano-Bicocca);
- They have obtained a **First-level Degree (Bachelor's)** delivered entirely in English;
- They hold a **passport** from one of the following countries: Antigua and Barbuda, Australia, Bahamas, Barbados, Belize, Canada, Dominica, Grenada, Guyana, Ireland, Jamaica, Malta, New Zealand, St Kitts and Nevis, St Lucia, St Vincent and the Grenadines, Trinidad and Tobago, United Kingdom, USA.

The requirement must be met by the application deadline. Candidates with an Italian qualification who do not possess this requirement may take an **in-person English language proficiency test** at the University of Milano-Bicocca.

To do so, they must send a registration request for the English test to the Admission office, indicating "**English test for OPTOMETRY AND VISION SCIENCE**" in the subject line and specifying the username provided for access to SegreteriaOnline.

Depending on the registration session, the candidate will be summoned during one of the following time windows:

- **1st session:** March 23 to March 30, 2026 (request sent by March 17)
- **2nd session:** June 22 to July 3, 2026 (request sent by June 16)
- **3rd session:** September 2 to September 7, 2026 (request sent by August 26)

The automatically assigned date cannot be changed.

The test result is communicated at the end of the exam. After the test, the candidate must complete the enrollment application on SegreterieOnline, declaring the requirement, still within the deadline.

Please note that the dates listed above are reserved for students coming from other universities. Graduating students of the **University of Milano-Bicocca** can obtain the B2 level of English proficiency by registering for the monthly language proficiency dates scheduled for their specific degree course.

3. First application period for candidates holding an Italian academic qualification

Candidates who will achieve their Italian academic title by 31 December 2026 may apply for a career evaluation on the dates indicated below:

Application deadlines	Remote interview dates
From 2 March to 29 May 2026	11-12 June 2026
From 8 June to 11 September 2026	24-25 September 2026

A fee of €30 must be paid via [Segreterie Online](#) no later than the deadlines for submitting the career assessment application (see Article 4.4).

4. How to apply

The application for a career evaluation must be completed online via [Segreterie Online](#), as indicated below.

4.1 Registration on Segreterie Online (first access only)

If the candidate is accessing the system for the first time, he/she must register his/her personal data by selecting “Registration” in the Reserved Area and following the indicated procedure. The data required for registration are tax code, personal details, address of residence and domicile, telephone number and e-mail address (which the University requires to send any communications to the candidate). Registration may only be carried out once. Foreign candidates without a tax code may also register, they must select: “Foreign student without tax code”. At the end of registration, the username assigned by the system and the personal password chosen will allow the login for candidates’ application to the master’s degree programme (to retrieve your password please consult the Password Management page).

4.2 Application

After logging in, click “Evaluation Test” in the registered area, then proceed by selecting: “OPTOMETRY AND VISION SCIENCE - Domanda di valutazione riservata ai candidati con titolo accademico italiano” (“MS in OPTOMETRY AND VISION SCIENCE - Application reserved for candidates holding Italian academic qualifications”)

To complete the application, candidates are required to upload:
