

Programme - April 2026

The INVEST Fellow Programme offers a diverse range of competence development opportunities for both academic and administrative staff across INVEST partner universities. Explore April's webinars below and visit the INVEST website for the latest updates on upcoming trainings and recordings of past sessions.

Webinar: An integrated approach to cyber risk auditing: challenges and methodology for internal and independent audit

When: 16 April 2026 10:00 EET / 9:00 CET

To whom: administrative & academic at INVEST partner universities

Registration: <https://forms.gle/e9R1mDR6K7yLHegn6>

The webinar focuses on establishing robust control mechanisms in an increasingly complex digital landscape. The session addresses the critical challenges faced by both internal and independent auditors, providing a structured methodology for assessing threats and ensuring information security.

Webinar: AI enabled Green Economy

When: 21 April 2026 9:00 CET / 10:00 EET

To whom: administrative & academic staff at INVEST partner universities

Registration: <https://forms.gle/SyYvb6VGcE4WE5kj6>

The webinar explores the transformative power of Artificial Intelligence in driving sustainable economic growth. This session is designed to bridge the gap between high-tech innovation and ecological responsibility, focusing on how AI can accelerate the transition to a circular and low-carbon economy.

Webinar: KAIZEN CONTINUOUS IMPROVEMENT JAPANESE STYLE

When: 29 April 2026, 10:00 – 11:00 CET / 11:00 - 12:00 EET

To whom: INVEST staff and students

Registration: <https://forms.office.com/e/FHkVF9UCiX>

This workshop explores the Japanese philosophy of Kaizen - continuous improvement through small, consistent changes - and its relevance for sustainable organizational development and personal growth.
