

How to enroll in the language assessment

Reservation of the exam:

- Please connect to “Segreteria Online”, through the following link: <https://s3w.si.unimib.it/Home.do>. Login with Bicocca credentials, go to “Menu” and select “Segreteria”. Then select “Impegni e Prenotazione Appuntamenti”.
- Click on “Impegni e Prenotazioni Appuntamenti” then go to “Calendario appuntamenti per esami di Lingua” and click on “Prenota” option, on the date you wish to take the test.

The screenshot shows the user interface of the Segreteria Online system. The main content area is titled "Benvenuto" and includes a welcome message and several sections: "Dati personali", "Informazioni carriera", "Pannello di controllo", and "Messaggi". A table displays the status of various processes, and a sidebar menu on the right lists navigation options.

- It is possible to cancel the reservation by selecting "Elimina Appuntamento".

- If the schedule “Calendario appuntamenti per esami di Lingua” **is not visible** this means that reservations are closed; students must wait for the next month in order to book a new exam.

General Information on the language tests:

It is not compulsory to complete the online course on the platforms offered by the University to book and take the language assessments.

Only attending language courses and/or the online courses on platforms is not sufficient to obtain the “Open Badge Bbetween Lingue”.

Languages available for the language assessments are the following: **English, French, German, Spanish and Italian**. The exercises of the test are prepared according to the CEFR scale (Common European Framework of Reference for Languages) which measure linguistic skills in levels, from A1 to C2.

All students can book and take the language assessment. Those who pass the exam will earn an “Open Badge Bbetween Lingue” document (issued from the A1 to the C2 level). For more information on the “**Open Badge Bbetween Lingue**” are given on the official university website www.unimib.it in the dedicated section.

The language assessments take place every month, August excluded, according to the availability of shifts, visible during the booking procedure.

It is possible to repeat the language assessment if a higher linguistic level is required. A different Open Badge Bbetween Lingue will be issued, if the level acquired in the second test is different from the previous result.

Language assessments are independent. In no case results of the assessments will be cancelled.

Each student can take the language test max **6 times** during the same academic year.

Reservations normally take place **from the 1st day to the 10th day of the month**, save different communication and / or technical issues.

Each student **can book and take only one exam per month for only one language** till the closing of the bookings or unavailability of places for the booking. It is therefore not possible to take both the exam of English and the exam of another language in the same month.

The exams take place in the laboratory indicated during the booking procedure.

Students can change the chosen shift no later than 4 days after the booking. In any case it is not possible to change the shift after the closing of the booking period.

At the end of the test the score obtained will be immediately visible on the screen, together with a “pass” / “no pass” message.

Not passing the test for the level requested doesn't imply being positioned automatically in the lower CEFR level; for example, if you don't pass the test of English C1 you'll not earn the open badge and the ECTS for English B2.

After maximum **3 weeks** from the examination date, students will receive on their campus mail account the link to download the “Open Badge” certificate, sent by Bestr for Università degli Studi di Milano-Bicocca, info@bestr.it. **It is compulsory to download the “Open Badge” certificate** (Information on the Open Badge Between Lingue is available on the University website www.unimib.it).

Downloading of the document is necessary to obtain the ECTS on your booklet, which will be granted only after the correct procedure.

- **Linguistic Proficiency for students at the first year**: after downloading the Open Badge certificate the ECTS will be credited if the level reached at the end of the exam corresponds to at least **B1** for BA courses. **The procedure of accreditation of the ECTS is automatic and requires from 1 to 6 months. ECTS are not registered on request.**
- **Other linguistic activities of the Degree Course** (advanced language exam, further linguistic knowledge, second language, language exam for the Erasmus+ programme, language exam required for the enrollment at an MA at Bicocca University, exams required during an MA): after downloading the Open Badge certificate, the ECTS will be credited **according to the level reached during the test and in case ECTS are planned** by the academic regulations and/or by the specific call for application. Specific rules or particular cases of the degree course must be verified and can change the registration of the ECTS.

It is possible to print the Open Badge file and download an English version. Instructions to proceed are available at this link:

https://www.unimib.it/sites/default/files/2026-05/IOstu_Download_OPEN_BADGE.pdf

The language tests are all issued on <https://esamionline.elearning.unimib.it>

This site is accessible with Bicocca credentials and it is available only to those enrolled in the exams on the date and hour of the test.
