EDUCATION, RESEARCH AND INSTITUTIONAL ACTIVITY

After obtaining a Diploma in English and German Translation at the Fachhochschule, Dolmetscherschule Zürich (DOZ)[1] Silvia Salardi graduated in Law with a grade of 110/110 Cum Laude with a thesis in Philosophy of Law entitled *Responsabilità penale: fondamenti e giustificazione (Criminal Liability: Foundations and Justification)* at the University of Insubria.
She subsequently obtained a PhD in Philosophy of Law at the University of Milan, track in Analytic Philosophy and General Theory of Law, XVII cycle, with a scholarship, with a dissertation on the topic *La responsabilità penale delle persone giuridiche. Profili teorico-giuridici (The Criminal Liability of Legal Persons: Theoretical and Legal Perspectives)*, at the University of Milan.
She completed a three-year post-doctoral fellowship at the chair of Environmental Economics and Policy at the Swiss Federal Institute of Technology in Zurich where she carried out teaching activities (including the supervision of master and bachelor theses) and research on environmental issues and sustainable development from a philosophical-legal point of view.
She subsequently obtained a research grant (Assegno di ricerca) at the University of Milano-Bicocca, as part of the FIRB project: *Informazioni genetiche:* opportunità, rischi e garanzie (*Genetic Information: Opportunities, Risks and Safeguards)*. She worked on the research project *Libertà, eguaglianza e responsabilità. Il banco di prova per le vecchie e nuove forme di discriminazione (Freedom, Equality and Responsibility: Testing Old and New Forms of Discrimination)* during the research grant (Assegno di ricerca type A) at the University of Milano-Bicocca.
She was a Tenure-Track Researcher (*ricercatore tipo B*) of Philosophy of Law and Bioethics (from 2016 to 2019). In 2017, she obtained the Italian National Scientific Qualification for appointment as Associate Professor (*professore di seconda fascia*).

Since 2019, she has been **Associate Professor of Philosophy of Law and Bioethics** at the University of Milano-Bicocca, School of Law and she holds the Italian National Scientific Qualification for appointment as Full Professor (from 10 November 2020 to 10 November 2031), awarded unanimously with a score of 5/5.

[1] Now Zurich University of Applied Sciences, 8401 Winterthur.

She has been a member of the Doctoral Board in Legal Sciences of the University of Milano-Bicocca since 2020.
Since 2026 she has been **the contact person for Quality Assurance of the Doctorate in Legal Sciences**.
She supervises doctoral theses at the University of Milano-Bicocca and also serves as a supervisor/member of the PhD thesis commission of Italian and foreign universities as detailed in the dedicated section below.
She is **a member of the Ethics Committee** of the University of Milano-Bicocca (2024/2027)
Since 2026, she has served as the University of Milano-Bicocca's **Quality Assurance Officer** within the European University Alliance INVEST (INnoVations of REgional Sustainability: European University Alliance). She participates in various research groups and committees of journals and series as detailed below in the dedicated entry.
As part of her scientific and research career, her activity on an international scale has been constant, as evidenced by the various positions she has been given at numerous universities, institutions and research centers, among the main

- Senior researcher in the project *Nachhaltige Nutzung natürlicher Ressourcen: Vom globalen politischen Prinzip zur Verankerung im Landes- und regionalen Recht (Sustainability and Law. Sustainable Use of Natural Resources: From Global Political Principles to National and Subnational Law)*, Swiss Federal Institute of Technology Zurich.
