Organizer: University of Milano-Bicocca

DESCRIPTION

This webinar aims to provide a clear and practical understanding of Micro-Credentials within the INVEST Alliance, with a focus on their design, development and implementation. Particular attention will be given to the integration of Micro-Credential modules into INVEST educational programmes and the Joint Bachelor Degrees.

SPEAKER

Prof. Maurizio Casiraghi – University of Milano-Bicocca (UNIMIB)

Maurizio Casiraghi is Full Professor of Zoology at the University of Milano-Bicocca and is an expert in Micro-Credentials and innovative approaches to education and certification. Within the INVEST Alliance, he leads the Micro-Credentials task in WP5 and plays a key role in guiding the development and implementation of the INVEST Micro-Credentials framework.
