

INSTRUCTIONS ENTRY TEST ITALIAN LANGUAGE COURSES

Introduction:

- If you don't have your student id number you have to tell it to the manager present in the laboratory who will work out the problem.
- The test takes less than 45 minutes.
- The test is divided into two parts: basic level and intermediate level

Each part provides 15 questions of equivalent difficulty chosen randomly.

- To move from one level to the next you must answer 11 questions correctly. So to pass the basic level you must answer correctly at least 11 questions out of 15.
- At the end of the test, the system communicates your score.
- Results of the test will be published on <https://www.unimib.it/didattica/lingue-unimib/lingue-programma-erasmus> within the day before Italian Language Courses are due to start.

To take the test:

1. Only use the mouse's left button.
2. You must not use the keyboard and the mouse's right button; if you do that the test is blocked and not valid.
3. If you close the connection (browser) before the end of the test, the test will not be saved.

To Start the test:

- 1) Put in the "Matriculation number", "Name" and "Surname/Family Name". Ask the manager present in the laboratory if you have any problem.
- 2) Click on the "Next" to start the test.
- 3) After answering all questions click "Next" at the bottom of the page.
- 4) You can resume later some questions and/or Clear your survey and start again the page.
- 5) If the correct answers are at least 11 out of 15 you will go to the Second Level pressing "Next".
- 6) When you finish the second part and you decide to clear your survey, please note that you have to answer again also to the questions of the first section.
- 7) At the end of the second section, click on the button "Submit".
- 8) The section of questions is saved and it is not possible to go back.
