

GEM Winter School 2018

CALL FOR APPLICATION

for 6 scholarships

"GEM - Green Energy Management 5th Edition" - January 25th - February 1st 2018

The Winter School is organized in Tenerife (Canary Islands) at La Laguna University and is promoted by The Department of Statistics and Quantitative Methods in cooperation with:

University of Camerino
University of Padova
La Laguna University (Tenerife)

It has been approved by the Department of Statistics and Quantitative Methods. The course will be taught entirely in English.

The Department of Statistics and Quantitative Methods will financially support the program with the payment of some shares in order to support tuition costs for 6 scholars of the University of Milano-Bicocca who wish to attend the Winter School.

All students from University of Milano-Bicocca will be considered for scholarship. Candidates must enroll in the program from the available link:

<https://sondaggi.didattica.unimib.it/index.php/464367?lang=en>

In order to be considered requests must include:

- completed application form at the link:
<https://sondaggi.didattica.unimib.it/index.php/464367?lang=en>
- Copy of Identity Document ID CARD / Passport;
- Duly updated Curriculum Vitae;
- A short motivational letter;
- Any certifications attesting student proficiency in English language;

The requests must be received no later than 12:00 on November 29th, 2017. Applications received after the date will not be considered.

The Selection Committee is composed by:

Prof.ssa Silvana Stefani
Prof. Rosanna Grassi
Dott. Vanda Tulli
Dott. Alberto Valli

The Commission can assign up to 100 points according to the following criteria:

Up to 50 points for the qualifications and experience resulting from Curriculum Vitae;

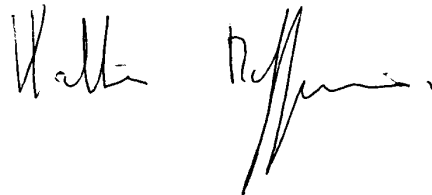

Up to 30 points for the evaluation of the motivational letter;

Up to 20 points for the evaluation of the language skills reported on the CV by each candidate;

In order to be considered eligible candidates must reach an overall score of at least 60. Up to the same score, priority will be given to younger students.

Prof. Walter Maffeni

Head of Department of Statistics and Quantitative Methods

A handwritten signature in black ink, appearing to read 'Walter Maffeni', with a stylized flourish at the end.
