China enshrines different “Worlds”. It is one of the most important economies in the world and faces the challenges of the future with strength and competitiveness without fearing changes. Nevertheless, China maintains its precious traditions and draws energy and inspiration from its millennial culture. With 56 ethnic groups and some of the world’s oldest philosophy, China is yet to be discovered and has a lot to offer to international students looking forward to a rewarding experience.

The Chinese Worlds Program (CWP) at HNU provides students with a **comprehensive learning experience** that combines China Studies and Chinese Culture courses and attendance to workshops of Chinese martial arts and calligraphy, with visits to museums, cultural and historical heritage sites, urban and rural development projects, and enterprises.
