

## ENROLMENT PROCEDURES – A.Y. 2019/2020

To enrol candidates must follow the procedures below and the deadlines for matriculation established by the Ministry of Education, University and Research, without exception.

**ASSIGNED** candidates must proceed to matriculate with the Universities, in accordance with the respective administrative procedures of each University, within the established deadlines.

**RESERVED** candidates may matriculate with the Universities, in accordance with the respective administrative procedures of each University.

The non-matriculation of **ASSIGNED** candidates entails forfeiting the matriculation if not exercised within the deadline. **RESERVED** candidates who do not exercise this possibility are not excluded from the ranking, but they are required to confirm their interest in the matriculation via the reserved area of the University website.

**WARNING: enrolment is considered completed with the payment of the initial advance payment/installment within the same terms foreseen for matriculation.** For information about fees and payment methods please read: <https://www.unimib.it/servizi/segreteria-studenti/immatricolazione/tasse> .

All communications will be published on the University website and will constitute a formal notification to all intents and purposes, and will replace any personal communication.

All additional information regarding matriculation is to be requested from the Career Management Office of the School of Medicine and Surgery at the following email address: [segr.studenti.medicina@unimib.it](mailto:segr.studenti.medicina@unimib.it) .
